Cleaning & Degreasing Wipes

GRIME OFF™ provides instant cleaning of greasy and grimy surfaces! Use fewer wipes and get stronger cleaning power. A biodegradable wipe and biodegradable solution provide green benefits.

This isn't a flimsy little wipe that's going to dry out and tear during use. This 100% cotton cloth, sized at 7" x 12", will hold up to even the toughest jobs. Manage that instant cleaning need with power, but without using costly water and time!
